To,

Election Board, WFSJ, Canada.

To Whom it may concern

I strongly recommend Mr. Chhatra Karki's candidature for the executive board of the World Federation of Science Journalists (WFSJ). He comes from a region which is under represented in the science journalism forums.

Chhatra Karki, Kathmandu, Nepal, based science Journalist has been covering science, health, environment and social Issues for more than one and half decade. Currently he is the Bureau Chief of Nagarik National Newspaper being published from Kathmandu, the capital city of Nepal.

Chhatra Karki has played prominent role to establish Nepal Forum of Science Journalists (NFSJ) which is the 54th member association of WFSJ. AS a founder President of NFSJ, he is focused on promoting science journalism in Nepal through his leadership.

He has got exposure in different national and international conference and seminar. He gave an important speech regarding Nepal Earthquake at the WCSJ 2015, Seoul, Korea.

I believe Chhatra would be appropriate candidate for the executive board of WFSJ. I wish all the best for him.
