

Balkan Network of Science Journalists (BNSJ)

Association of Science Reporters from across South-East Europe

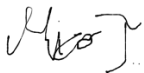

To Whom It May Concern:

Andrada Fiscutean is a board member of the Balkan Network of Science Journalists (BNSJ), which is a member of the World Federation of Science Journalists (WFSJ).

Andrada has joined BNSJ in 2016, and has been contributing to workshops and panels. She has always worked as a full-time journalist, dividing her time between managing ProFM Romania's newsroom and being a freelance science and technology reporter for international publications.

Mico Tatalovic, on behalf of the BNSJ's Board
