#### INDEPENDENT AUDITOR'S REPORT

To the directors of WORLD FEDERATION OF SCIENCE JOURNALISTS

We have audited the accompanying financial statements of WORLD FEDERATION OF SCIENCE JOURNALISTS which comprise the statement of financial position as at December 31, 2017, the statements of operations and net asset and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. These procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of WORLD FEDERATION OF SCIENCE JOURNALISTS as at December 31, 2017, and the results of its operations and cash flows for the year then ended, in accordance with Canadian accounting standards for not-for-profit organizations.

#### NOTES TO THE FINANCIAL STATEMENTS

### AS AT DECEMBER 31, 2017

#### 1 - LEGAL STATUS AND NATURE OF ACTIVITIES

WORLD FEDERATION OF SCIENCE JOURNALISTS is a not-for-profit organization formed under part III of the Quebec Companies Act, on April, 27, 2005. It is a registered charity and is exempt from income taxes.

The objectives of the organization are the following:

Subject to the *Loi sur l'enseignement privé* (*L.R.Q., c. E-9.1*), establish, maintain, and operate a training centre in science journalism by delivering teaching and educational resources in this area, as well as organizing a mentoring program for students in this domain.

Educate the public by offering courses, seminars, conferences and workshops related to science, technology, and science journalism.

Contribute to the advancement of education by offering study scholarships, prizes, fellowships and any other type of financial support to the community of students in science journalism.

#### 2 - SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

#### Use of estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingencies at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The amounts accounted for and the information provided on the basis of these estimates and assumptions could be different from the actual results.

### Foreign currency translation

Monetary assets and liabilities in foreign currency are translated at the exchange rate in effect at the balance sheet date, whereas other assets and liabilities are translated at exchange rates in effect at transaction dates. Revenues and expenses in foreign currency are translated at the effective rate, with the exception of depreciation, which is translated at the historical rate. Gains and losses are included in the earnings for the year.

### Revenue recognition

The organization follows the deferral method of accounting for subsidies and contributions. Restricted subsidies are recognized as revenue in the year in which the related expenses are incurred. Unrestricted subsidies and contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Restricted contributions related to fixed assets are deferred and recognized as revenues over the same period as the related fixed assets.

Subscription are recognized as revenues on a straight-line basis over the period covered by the membership.

# NOTES TO THE FINANCIAL STATEMENTS

### AS AT DECEMBER 31, 2017

### 2 - SIGNIFICANT ACCOUNTING POLICIES (cont'd)

#### Fixed assets

Fixed assets are accounted for at cost. Depreciation of fixed assets is based on their useful life using the declining balance method at the following rates:

	Rate
Office furniture and equipment	20%
Computer hardware	40%

### Financial instruments

The organization initially measures its financial assets and liabilities at fair value. They are subsequently measured at amortized cost. Financial assets measured at amortized cost consists of cash and accounts receivable. Financial liabilities measured at amortized cost consist of accounts payable and accrued charges.
