INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Directors of
WORLD FEDERATION OF SCIENCE JOURNALISTS

We have reviewed the accompanying financial statements of WORLD FEDERATION OF SCIENCE JOURNALISTS that comprise the balance sheet as at December 31, 2019, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review

engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

WORLD FEDERATION OF SCIENCE JOURNALISTS

NOTES TO FINANCIAL STATEMENTS

AS AT DECEMBER 31, 2019

1. LEGAL STATUS AND NATURE OF ACTIVITIES

WORLD FEDERATION OF SCIENCE JOURNALISTS is a not-for-profit Organization formed under part III of the Quebec Companies Act, on April, 27, 2005. It is a registered charity and is exempt from income taxes. The objectives of the Organization are the following:

Subject to the Loi sur l'enseignement privé (L.R.Q., c. E-9.1), establish, maintain, and operate a training centre in science journalism by delivering teaching and educational resources in this area, as well as organizing a mentoring program for students in this domain.

Educate the public by offering courses, seminars, conferences and workshops related to science, technology, and science journalism.

Contribute to the advancement of education by offering study scholarships, prizes, fellowships and any other type of financial support to the community of students in science journalism.

2. SIGNIFICANT ACCOUNTING POLICIES

The Organization applies the Canadian accounting standards for not-for-profit organizations.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and the reported amounts of revenues and expenses for the periods covered. The amounts accounted for and the information provided on the basis of these estimates and assumptions could be different from the actual results.

Foreign currency translation

Monetary assets and liabilities in foreign currency are translated at the exchange rate in effect at the balance sheet date, whereas other assets and liabilities are translated at exchange rates in effect at transaction dates. Revenues and expenses in foreign currencies are translated at the effective rate, with the exception of depreciation, which is translated at the historical rate. Gains and losses are included in the earnings for the year.

Revenue recognition

Subsidies, contributions and donations

The Organization follows the deferral method of accounting for subsidies, contributions and donations. Restricted subsidies are recognized as revenue in the year in which the related expenses are incurred. Unrestricted subsidies and contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Restricted contributions related to fixed assets are deferred and recognized as revenues over the same period as the related fixed assets.

Subscriptions

Subscriptions are recognized as revenues on a straight-line basis over the period covered by the membership.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Fixed assets

Fixed assets are accounted for at cost. Depreciation is calculated on their estimated useful lives using the declining balance method at the following rates:

Rates

Office furniture and equipment 20 % Computer hardware 40 %

Financial instruments

Initial and subsequent measurement

The Organization initially measures its financial assets and liabilities at fair value, except for certain related party transactions that are measured at the carrying amount or exchange amount, as appropriate.

The Organization subsequently measures all its financial assets and liabilities at cost or amortized cost.

Financial assets measured at amortized cost include cash, investments and accounts receivable.

Financial liabilities measured at amortized cost include the accounts payable.

8. FINANCIAL INSTRUMENTS

Credit risk

Credit risk is the risk that one party to a financial asset will cause a financial loss for the Organization by failing to discharge an obligation. The Organization's credit risk is mainly related to accounts receivable. Accounts receivable balances are managed and analyzed on an ongoing basis and, accordingly, the organization's exposure to doubtful accounts is not significant.

WORLD FEDERATION OF SCIENCE JOURNALISTS**NOTES TO FINANCIAL STATEMENTS****AS AT DECEMBER 31, 2019****8. FINANCIAL INSTRUMENTS (continued)**

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

The Organization is exposed to foreign exchange risk due to accounts receivable denominated in US dollars and Euro. As at December 31, 2019 there was no accounts receivable denominated in Euro (\$ 30,124 in 2018). The Organization received approximately 85 % (66 % in 2018) of its revenues in foreign currencies (Euros and US dollars). The Organization expenses in foreign currencies represents approximately 42 % (24 % in 2018) of the total expenses. The organization does not enter into arrangements to hedge its foreign exchange risk.

9. INFORMATION REGARDING THE PANDEMIC

On March 11th, 2020, the World Health Organization announced that the planet is facing a pandemic of COVID-19 coronavirus disease. This event has led to an ever-evolving global mobilization since then, with significant negative repercussions on the global economy and on markets. In Quebec, the state of health emergency and various other containment measures have led to a major slowdown in several economic sectors. In light of this situation, management had to cancel attendance in a number of events. This may lead to adverse effects on their revenue. However, it created additional activities as developing specific programs for journalists to cover the crisis. The Organization is currently unable to assess the other economic and financial impacts of these events on its operations.
